

**“The Presidential National Health Summit 2026 will define the next chapter of Kenya’s health reforms.”**  
— Hon. Aden Duale, Cabinet Secretary for Health

## MoH Launches Health Summit 2026 Preparations

The Ministry of Health has officially commenced preparations for the Presidential National Health Summit 2026 following the inaugural National Planning Committee meeting chaired by Cabinet Secretary for Health Hon. Aden Duale. The Summit will serve as a national platform to review Kenya’s health reform journey and shape the next phase of healthcare transformation towards Universal Health Coverage (UHC).

The Summit will showcase key milestones achieved under the leadership of H.E. President William Ruto and the Fifth Administration across health financing, primary healthcare, digital health, governance, legislation and regulation, while fostering dialogue on priorities that will strengthen the health sector.

## Strengthening Kenya–Global Fund Health Partnership

Principal Secretary for Public Health and Professional Standards Mary Muthoni met the Global Fund Country Team, led by Senior Portfolio Manager Paul McCarrick, to discuss ongoing collaboration in strengthening Kenya's health sector.

The discussions focused on preparations for the Global Fund Grant Cycle 8 and reinforcing the long-standing partnership to advance HIV, Tuberculosis and Malaria programmes while strengthening resilient health systems.

## AfDB Appraisal Mission Begins for Kenya Health Infrastructure Support Project

Principal Secretary for Medical Services, Dr. Ouma Oluga, hosted an African Development Bank (AfDB) delegation led by Ms. Nadege Balima at Afya House for the commencement of the Project Appraisal Mission for the proposed Kenya Health Infrastructure Support Project (KHISP).

The mission will assess the project’s readiness, align implementation priorities and support preparations for the next stage of the Bank’s financing process. It will also include consultations with key stakeholders and field visits to selected counties.

Dr. Oluga reaffirmed the Ministry of Health’s commitment to working closely with the African Development Bank and other partners to strengthen health infrastructure, expand access to quality healthcare services and advance Universal Health Coverage (UHC).

Present were Mr. Peter Ogwang, AfDB Task Team Leader and Social Infrastructure Engineer; Dr. Hossan Ajuk, Project Coordinator for the Appraisal Mission; Dr. Hezron Omolo, Head of Infrastructure, Projects and Grants Management at the Ministry of Health; technical officers from the Ministry of Health; and representatives from the National Treasury led by Ms. Janet Meiseiyeki.
