## National and County Governments Strengthen Collaboration on Healthcare Delivery

Strengthening intergovernmental cooperation to accelerate Universal Health Coverage (UHC) and improve healthcare delivery formed the focus of discussions between Cabinet Secretary for Health Hon. Aden Duale and the newly elected Council of Governors Chairperson and Tharaka Nithi Governor, H.E. Muthomi Njuki.

The meeting reviewed progress in implementing Taifa Care, strengthening Primary Healthcare and improving compliance with Health Management Information Systems (HMIS). Compliance among

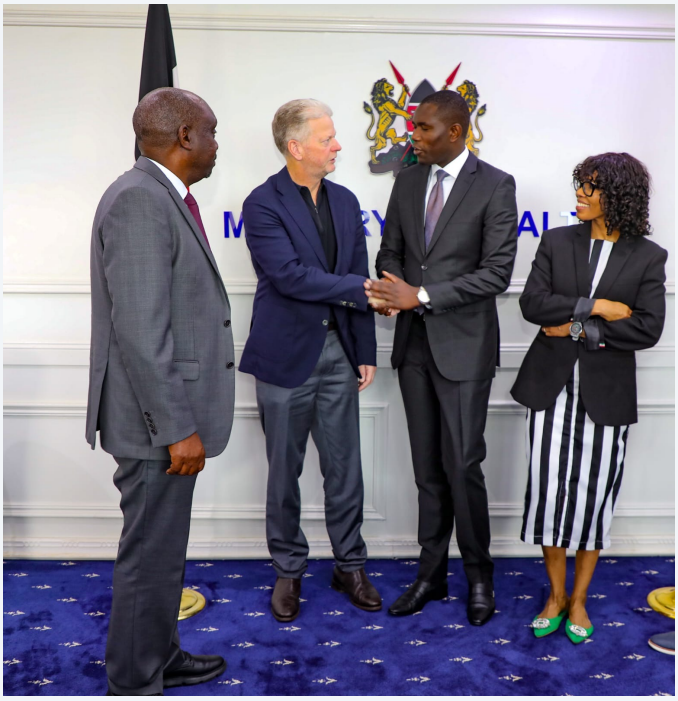

Other priorities included timely remuneration of Community Health Promoters, strengthening Ebola preparedness in border counties and advancing the Presbyopia Glasses Project, currently being implemented in seven counties.

The meeting emphasised that free medical and surgical camps must not be billed to the Social Health Authority (SHA), and reaffirmed the commitment to expanding access to quality, affordable and equitable healthcare.

# Kenya Explores Partnership to Improve Access to Lifesaving Antibiotics

Efforts to improve access to lifesaving antibiotics while addressing antimicrobial resistance (AMR) formed the focus of discussions between Principal Secretary for Medical Services Dr. Ouma Oluga and Aranda Chief Executive Officer Dr. Angus L. C. O'Shea.

The engagement builds on earlier discussions held during the United Nations General Assembly in New York in September 2026, focusing on innovative and sustainable approaches to essential antibiotics.

Dr. Oluga emphasised the need to strengthen diagnostic capacity, disease surveillance, responsible prescribing and antimicrobial stewardship to preserve the effectiveness of antibiotics and improve patient outcomes.

The meeting reviewed Aranda's engagements with KEMSA, SHA and the county governments of Nairobi, Kiambu and Murang'a, and encouraged evidence-based proposals aligned with Kenya's Universal Health Coverage priorities.

# Ministry of Health Updates Senate on Thange Oil Spill Response

Safeguarding public health and community wellbeing remains a priority in addressing the Thange oil spill. The Ministry of Health appeared before the Senate Standing Committee on Energy, chaired by Senator William Kipkemoi, to provide an update on implementation of the Senate's

The Ministry reaffirmed its commitment to working with the Kenya Pipeline Company, relevant Ministries and government agencies to address public health concerns associated with the oil spill and protect the wellbeing of affected communities.
